No.81/35-36 dated 12-9-35 from the Principal Government Ayurvedic College, Mysore, to the Vice-President, Govt. Ayurvedic & Unani Committee, Mysore.

Have the honor to ~~state~~ that at our meeting of the Staff and Students of the College held on 7-9-1935 under the auspices of the College Union, it was proposed to celebrate the College Day at an early date. Copy of the Resolution passed in this behalf at the meeting is herewith submitted for favour of kind perusal and information.

I may be permitted to submit that the celebration of the College is a necessary function in as much as it will afford an opportunity for the old boys of the College and the new, as well as the public who are interested in the progress and development of the Indigenous Systems of Medicine, to come together and exchange ideas which may in the long run be useful to the institution. In the past, the celebrations of such functs have proved a fruitful source of inviting the public attention and eliciting their public sympath towards the institution, which has resulted in the offer of generous donations towards the building for the College, etc.

Further, the celebration of this function this year may be utilised for distributing the certificates and prizes to the students who have successfully passed out of the College. It would be fitting if the function is to take place during the ensuing Dasara.

For this purpose, I request that needful recommendation may kindly be made for sanction of Rs 200 out of the lumpsum grant for this College to meet the necessary expenditure. Additional expenditure in this behalf will be met out of subscriptions to be collected from the staff and students, and out of the balance in the Union Fund of Rs 200 now at its credit.

Government have on previous occasions sanctioned these penditure for the College Day Celebration out of the lumpsum grant (please vide G.O.No.900-1/110-20-2 d. 4th Nov. 1929).

I request that the following expenditure may kindly be permitted and necessary orders passed.

Rs 200 to be met out of the lumpsum grant for the College during 1935-36.
" 100 out of the available balance in the Union Fund.
Additional expenditure to be met out of subscriptions to be collected from the staff and students.
